Enrollment Information

Typically Offered	Fall, Spring
Enrollment Requirement	Pre-requisite: 2.5 GPA and 12 Credits in PSY including PSY 290 and PSY 291 or 292. OR Alternative: 9 credits in PSY, including PSY 290, and 291 or 292; BIL 268 or NEU 280, 380, or 480
Course Attribute	Writing

Description

Students will conduct two (or more) pre-planned experiments. For each experiment, students will analyze the data and write up the components of a research report. In addition, students will receive detailed feedback on the assignments they submit, as an aid to improving their writing skills, reinforcing and reviewing their knowledge of research design and methodology, and expanding their understanding of statistical analyses as well as their interpretation and presentation.
