Introductory Biobehavioral Statistics (PSY 204)

I've really loved working with you all this semester!

Content and Delivery of Lectures

	Strongly Disagree		Neither		Strongly Agree
A. The material covered in lectures is interesting.	1	2	3	4	5
B. The lecture material matches the stated goals for this course.	1	2	3	4	5
C. The instructor presents material in an engaging way.	1	2	3	4	5
D. I am sometimes confused during the lectures.	1	2	3	4	5
E. The instructor covers an appropriate/do-able amount of information in each lecture.	1	2	3	4	5

F. Additional comments on class material and lecture style:

I liked the lecture style - the slides were easy to follow and not too much info per slide which didn't make me feel bombarded w/ info. Plus, loved the photos/gifs.

Exams

	Strongly Disagree		Neither		Strongly Agree
A. The reviews are helpful.	1	2	3	4	5
B. Exams are too hard.	1	2	3	4	5
C. Exams are too easy.	1	2	3	4	5
D. Exams should be structured differently.	1	2	3	4	5

E. Additional comments on exams/suggestions to make the reviews more helpful:

I don't ~~think~~ think the exams were too easy/hard. They were fair. I REALLY liked the homeworks - they helped prepare me. And I even liked that the HW was harder than the exam.

Miscellaneous

	Strongly Disagree		Neither		Strongly Agree
A. The instructor is approachable.	1	2	3	4	5
B. The instructor is accessible.	1	2	3	4	5
C. I would recommend this course to a friend.	1	2	3	4	5
D. Please use the space below to comment on elements of the course that you would like to change, and elements you would like to stay the same:					

The class is required, so I'm not really interested in statistics, but it was made less painful by you. The lectures are easy to follow and funny at times, which I didn't expect.
☺ You were great!

E. The instructor covers an appropriate/do-able amount of information in each lecture.	1	2	3	4	5

→ never got the office jokes/examples.

F. Additional comments on class material and lecture style:

- I liked all the reviews & examples.
- I liked the homework as a test review.
- I liked the amount of tests. not an overwhelming amount to remember for a single test.

I **HATE** math with a burning passion, but I really liked this class. I actually understood everything and I can do statistics now. 😊
This is the only type of math I find interesting in the slightest.
